for the next Petrolia Community Theatre

### **Gusher Awards**

Please join us for a delightful evening to celebrate the following shows: *A Christmas Story*, *It's a Wonderful Life*, *Steel Magnolias*, *A Christmas Carol*, and *Shootout at the Sacred Heart Saloon*.

The evening will start out with a limo ride beginning at the Heritage Heights Golf and Curling Club at 6:30 p.m. Please come in fancy dress or costume as you will be facing the paparazzi as you walk the red carpet. Drinks are available at the cash bar as well as tea, coffee and punch. Canapes will be served until 8:00 p.m. when the awards ceremony will begin. Our Master of Ceremonies is the witty Doug Wright who will provide a unique and humorous introduction to each show. Music and dancing will follow along with a dessert buffet.

Please come to celebrate and honour each of these past productions on this very special evening!

Written invitations have been mailed out to the cast and crew members for whom we had addresses. We apologize in advance to those who may not have received their invitations. We will make invitations available upon request.

#### **What is a Gusher?**

As Doug Wright has said in the past, they are more rare than an Oscar, for a Gusher has never been for sale on eBay! This coveted award is presented to a few people in either the cast or crew from each show. This is not a 'best actor' award but rather, an award to signify a contribution or achievement recognized by the director, producer and stage manager.

We recognize that everyone involved is worthy of an award in one way or another and so we are offering this special evening to celebrate a past show, give you a chance to get together with the people involved in that production, make you feel like a star as you walk down a red carpet while the paparazzi swarm you, and to thank you for being a part of the Petrolia Community Theatre.
