MAY 2010 ISSUE

The PCT December 2010 Production will be:

A Christmas Carol

Auditions will be held at the Christ Anglican Church in Petrolia (414 Oil Street..corner of Oil Street and Henry Ave.) on **Monday, May 17th** and **Tuesday, May 18th** at 7 p.m. This production will require a large cast and an even larger crew. It is our intention to cast this play and have all the major crew roles in place by the second week in May. We will hold both production meetings for crew and "character development" evenings for actors just once a month throughout the summer. Cast will be expected to be off-script by our first September rehearsal; then from September to show-date in December we will be rehearsing two to three times a week.

Cast Read Through: **Wednesday May 26th**, 7 p.m. At Christ Anglican Church.

Production Crew: We are putting a special call out to anyone in the community who has always wanted to be part of a theatre production but perhaps has little or no experience, or has been away for awhile...we welcome the opportunity to train you, to have you work along side an experienced crew member. You could jump in with both feet at the very beginning, or take on a smaller time-frame commitment. We are looking for teams to work on: Wardrobe; ticket sales; publicity; props; set building, decor and painting; program creation; advertising for program; and a multitude of smaller tasks. Can you drive, make phone calls, sew a straight seam, paint a set, organize the cast party, make sign-in sheets? ...the list is endless and we need you. If you can help, come on out to the auditions and meet the team, or join us for our first production meeting on **Tuesday May 25th** 7 p.m. at the Christ Anglican Church on Oil St. in Petrolia.
